

LIST of EGOLF Technical Assessors (Feb 2016)

This list has been drawn up in response to request from European Accreditation (EA) and their national accreditation member bodies. It remains the responsibility of the national accreditation bodies to contact, select and contract experts from those persons on the list who best suit their requirements. Full contact details can be found under "Member Profile" on the home page of the EGOLF website at <http://www.egolf.org.uk/member-profiles.html> EA bear no responsibility in this matter and their role is solely to act as intermediaries between the potential experts and the national accreditation bodies.
